If you require information regarding the presence of allergens in any of our food or drink, please ask your server who will be happy to provide this information. Whilst a dish may not contain a specific allergen, due to the wide range of ingredients used in our kitchen, foods may be at risk of cross contamination by other ingredients. An example of this would be dual use of fat fryers for cooking chips and then battered fish.

A discretionary service charge of 12.5% will be added to table of 8 or more. All tips go to staffs.
